**California Association of REALTORS® Region 8 Director Appointment Questionnaire**

The California Association of REALTORS® (CAR) Board of Directors is composed of nearly 1,000 members from local Associations in the State. CAR leadership is comprised of State Directors, Directors-at-Large, Directors for Life, Past Presidents and Honorary Presidents. As authorized by Article V of the CAR Bylaws, the CAR Board of Directors is responsible for governing the affairs of the California Association.

The CAR Board of Directors has the authority to approve expenditures of the state Association, set dues and fee levels, establish public policy positions relevant to the real estate industry, set Association policies, approve the Association's budget and strategic plan, approve amendments to the bylaws, and recognize members for outstanding service.

The role of the Director is to represent the entire membership of CAR and to keep abreast of the many challenges and issues facing the Association. Some of the resources available to directors include:

- California Association officers and staff who are eager to share their knowledge and experience.
- San Francisco Association, particularly the President and Executive Officer.
- Official documents of the California Association, such as the Bylaws and Strategic Plan.
- Research and background materials from CAR focusing on current activities of the Association which affect the real estate industry.

In connection with the San Francisco Association determining whether you qualify for a CAR directorship, please fill out this questionnaire and return it to the Association's offices by e-mail to [marivic@sfrealtors.com](mailto:marivic@sfrealtors.com). Thank you.
